

C 1000 + BIOFLAVONOIDS

- ✓ **1000 MG DE VITAMIN C**
- ✓ **NORMAL FUNCTION
OF THE IMMUNE SYSTEM**

DESCRIPTION

C1000+BIOFLAVONOIDS of **HERO TECH NUTRITION®** is a source of four ingredients such as vitamin C and bioflavonoids such as rosehip extract, acerola extract and hesperidin.

Among the properties that gives us the consumption of **C1000 + BIOFLAVONOIDS** are the following:

- Contributes to normal collagen formation for the normal function of blood vessels, bones and cartilage.*
- Contributes to maintain the normal function of the immune system during and after intense physical exercise. The claim may be used only for food which provides a daily intake of 200 mg vitamin C. In order to bear the claim information shall be given to the consumer that the beneficial effect is obtained with a daily intake of 200 mg in addition to the recommended daily intake of vitamin C.*
- Increases iron absorption.*
- Contributes to normal energy-yielding metabolism.*
- Contributes to the normal function of the immune system and to the protection of cells from oxidative stress.*
- Contributes to the reduction of tiredness and fatigue.*

*These statements have been approved by the European Commission.
