

CARNITINE 3000

FLAVOUR LEMON
FLAVOUR FOREST FRUIT

20
VIALS
X 10 ML

3000 mg L-CARNITINE PER VIAL

DESCRIPTION

CARNITINE 3000 is a weight management product containing L-carnitine base with 97% minimum purity as the main ingredient in an amount of 3000 mg per day.

Carnitine is a molecule responsible for transporting fatty acids into the mitochondria, in which fats can be used as an energy source.

To synthesize the L-carnitine **CARNITINE 3000** contains 1.4 mg of Vitamin B6 which helps to decrease fatigue and fatigue and 82.5 mg of choline which contributes to the normal metabolism of lipids.

DIRECTIONS

Take a daily dose (1vial/10 ml) 30 minutes before training or between meals on an empty stomach.

PRESENTATION

Box with 20 vials of 10 ml.
