**120**  
VEGETABLE  
CAPSULES

**60**  
SUPPLY  
DAYS

**2**  
CAPSULES /  
DAY

### DESCRIPTION

**HYPERVITE™** is a multi-vitamin and mineral complex perfectly studied with high and safe doses of vitamins and minerals and with an extra herbal extracts. **HYPERVITE™** has been developed to meet the needs of vitamins and minerals of those athletes who require an extra contribution to cover the needs that require the physical and psychological stress to which they are submitted each day.

**Vitamins** are essential for the maintenance of health and its deficiency can cause diseases because they protect our immune system by its antioxidant effect, in addition to favoring the energy metabolism.

**Minerals** are important for our bones and tissues as they act to favor different regulatory functions.

In addition **HYPERVITE™** has been reinforced with 8 additional ingredients:

- Alpha lipoic acid (ALA) that contributes to normal blood sugar levels\*.
- N-Acetyl L-cysteine (NAC) contributes to the normal formation of glutathione\*.
- Choline that helps the normal cognitive function\*.
- Inositol which is important for the function of the nervous system\*.
- Para amino benzoic acid (PABA), helps increase vitality and reduce tiredness.
- Lycopene and Lutein, which help maintain normal vision\*.
- Grape seed extract that has potent anti-oxidant effect.

\*These statements have been evaluated by EFSA (European Food Safety Agency).

## ADVANCED MULTI-COMPLEX VITAMIN & MINERAL

**IMMUNE SUPPORT AND ANTIOXIDANT**
