

MACA

- ✓ **MACA ANDEAN EXTRACT**
- ✓ **INCREASES LIBIDO**
- ✓ **INCREASES ENERGY**

DESCRIPTION

Maca is a plant that grows more than 4000 meters above sea level in the center of the Peruvian Andes. The hypocotyls of this plant are traditionally consumed for their properties on sexual desire, energy levels and antioxidant action.

MACA is an maca andean extract of high purity that is obtained from the root tubers of the plant.

There is a multitude of scientific trials published to check their impact on sports performance, power, energy and muscle efficiency, as well as in the production of sperm and increases libido.

INGREDIENTS

Maca extract (*Lepidium meyenii* Walp.) 4:1 (root), capsule [glazing agent (hydroxypropyl-methyl-cellulose), colour (titanium dioxide)], maltodextrin, anti-caking agents (magnesium salts of fatty acids, silicon dioxide). **WARNINGS:** Store in a cool, dry place. Heat and sunlight may damage the bottle. Keep out of the reach of children. Use this product in conjunction with food as part of a healthy, balanced diet, not as a substitute for such. Don't exceed the recommended daily dosage. May contain traces of *gluten, milk, egg, soy, celery, sulphur dioxide, sulphites, fish, molluscs and crustaceans*.

DIRECTIONS
