

- HERBAL EXTRACTS COMPLEX
- BODY FLUID DRAINAGE
- SYNERGISTIC ACTION
- WITH VITAMIN B6

DESCRIPTION

WATER XPL is a support complex for draining excess body fluid. It is composed of 9 herbal extracts that act by complementing each other for optimal results. Vitamin B6 is added that contributes to normal functioning of the nervous system and to the reduction of tiredness and fatigue. It contains no stimulants added with a minimum amount of 12 mg of caffeine from the green tea extract. It is important to use this product as part of a varied and balanced diet and a healthy lifestyle.

* These statements have been evaluated by the European Food Safety Agency (EFSA) and approved by the European Commission.
